President's Message

I'm delighted to say that 2024 has got off to a great start and it promises to be a year which will be the start of great change across the project management profession. We have an amazing Board this year full of energy and ambition. We started the month with a Board away day to strategise the year ahead and I'm excited by what is ahead of us in 2024.

We've outlined **five strategic priorities** for the Chapter. They are:

1. **Engaging young people**
2. **One community in Ireland and beyond**
3. **Sense of family and shared purpose**
4. **Artificial intelligence**
5. **Construction.**
